We would think that in the context of the facts and the law applicable and which principle has been applied, in fact, even in the matter of granting them notional promotion with regard to the post of Executive Engineer, petitioners would appear to be entitled to be considered for notional promotion. We have already noted the order of the Government, which says that in regard to notional promotion, the question of suitability also must be considered, which will be done by the DPC. In this regard, it is to be noted that the petitioners have already been recommended for promotion by the DPC and, therefore, the question is one of applying the principle, We would think that the petitioners cannot be held to be disentitled for being considered for notional promotion as Superintending Engineer on the basis of the notional promotion as Executive Engineer in 2004, accordingly, and we reject the argument of Sri M. C. Pant, learned counsel for party respondents that unless the actual service is rendered in the post of Executive Engineer for a period of six years, they cannot be considered for further notional promotion as Superintending Engineer. Accordingly, in the light of the above discussion, Writ Petition (S/B) Nos. 2 of 2014 and 23 of 2014 will be disposed of by directing that the petitioners will be considered for notional promotion as Superintending Engineer with reference to the date of completion of 6 years from the date of notional promotion as Executive Engineer. It appears that in the case of Writ petition (S/B) No. 23 of 2014, such an order

has already been passed. The effect will be given to that order. [In the case of Writ petition (S/B) No. 23 of 2014 orders have been passed on the basis of the interim order of this Court, which according to Sri M. C. Pant, was directed not to be implemented pending final disposal.] In Writ Petition (S/B) No. 2 of 2014, the order to the effect that the petitioners will get notional promotion from 2007 cannot be given effect to as they would not complete 6 years only in 2010.

Accordingly, petitioner will be entitled for notional promotion as Superintending Engineer with effect from the date on which they complete six years, as in the other case, as in Writ petition (S/B) No. 23 of 2014.
